You may use my templates, brushes, or text path templates, and alpha templates for commercial use if you have purchased the commercial version of these products according to the following terms:

Things you can do:

2. You may use my templates to create flattened PNG or JPG quick pages, tags, or greeting cards and alphas for resale.
3. You may use these my brushes and text path templates to create digital scrapbooking and craft items for resale as long as you do not redistribute the original files as-is.
