8. My graphics, whether free or not, are protected by international copyright law. You may not remove any copyright notice provided with these graphics.

My scrap for hire specifics

My kits are scrap for hire friendly with no additional cost according to the following terms:

1. Credit is not required for scrap for hire, but is very much appreciated in your TOU or a small text file included with the finished product in the form of "Andrea Gold - Name of Product".
2. You do not need to purchase additional kits or licenses to use this kit to layouts for more than one customer.
3. You may sell a customer flattened images of layouts you create with this kit. You can't sell or give a customer any type of layered file created with this kit. Keep the layered files to yourself.
4. Credit is only required commercially if you create layouts with this kit and submit them for publication or contests.
5. You may NOT sell more than 100 copies of any single item you create with my kit. This license applies to the small business owner. My graphics may not be used by commercial organizations, book publishers or in any type of mass production by a manufacturing company for any purpose.
6. You may NOT repackage, sell, resell, assign, license, disclose, distribute, or otherwise transfer or make available my graphics, in whole or in part, or any copies of my graphics to any third parties, except as explained in this license. In other words, don't share my graphics with anyone...only the flattened layouts you create.
7. You may NOT use any part of my graphics to create any type of a downloadable scrapbook product for resale or redistribution of any kind except flattened scrap for hire layouts.
8. You may NOT use this kit and/or derivatives of this kit to make products to be sold as "commercial use" or "designer resources".
9. You may NOT use any part of my graphics to create your business cards, business letterheads, business brochures, business flyers, promotional materials, business logo, trademarks, or for any other promotional business use.
10. You may NOT use my graphics for any obscene, pornographic, or illegal purpose.

Blog or personal website design

You may NOT use this kit for commercial websites for businesses, whether for yourself or other people. Personal websites design and blog design for other people is allowed provided that the final graphics are flattened and not more than 72 ppi resolution and you do not redistribute any of the original kit to your customer. Credit for the graphics is required somewhere whether on your business website or on the customer's website when using my graphics for personal website and personal blog design for others. You do not need to purchase additional copies of the kit or additional licenses to design multiple blogs.

Other stuff

- Please say NO to piracy, it just isn't nice. If you downloaded my graphics from any place besides my blog or goDigitalScrapbooking.com, please let me know. It is piracy to share my templates and graphics without my consent, whether they were free or not!
- Send me a link to layouts if you want to. I would love to see what you have done.
- Please see the credits.txt file for commercial credits for my kits.
- Please read the entire description for this item in my store at GDS as it may provide additional terms or specific uses not covered in this document.
- If you want to use my graphics in any other way not specifically described here or if you are not sure whether this license covers your intended use, please contact me at agold76@gmail.com. I'm reasonable and happy to answer your questions!
- If you want to use my graphics for educational purposes, please contact me. Educational use is not covered under this license or the personal license.

Thank so much!
